North Gold Coast Seahawks
Junior Basketball Competition
Uniform Priority List

Priority is determined by length of time in the competition.

<u>Clubs with lower priority within their colour must change to alternate uniforms when playing clubs higher than them.</u>

UNIFORM PRIORITY RULES FROM JUNIOR BY-LAWS

16.1 New Clubs will be required to enter their teams under uniquely coloured uniforms.
16.2 The Club with the longer record of continued participation in the competition has uniform priority over newer Clubs.
16.3 Failure of the newer Club to switch to alternate tops will result in forfeiture of the game. Clubs/Teams must source their own alternate singlets. Turning singlets inside out is not permitted (unless it is a reversible uniform with design and numbers on the reverse side)
16.4 Where two teams of the same Club meet in a game, it is the club's responsibility to ensure a reverse or alternate uniform is supplied and worn by one of the teams.
