 - ii. **CQJBC:** Junior Representative Competition conducted within the Central Queensland region.
 - iii. **NQJBC:** Junior Representative Competition conducted within the North Queensland region.

- a) Basketball Queensland may refuse entry to any of its competitions from Associations who have an outstanding overdue debt with Basketball Queensland.
- b) If a participating Association incurs an outstanding debt to BQ while already participating within one of its competitions, then the CEO may decide that for the purposes of determining ladder positions of the teams fielded by the participating Association the teams are deemed to have lost all their games.
 - i. This will not provide wins to the teams they played.
- c) If the CEO makes this decision and the Participating Association subsequently pays the debt to BQ:

1.4. Disqualification

- a) The Board of BQ may decide to disqualify a Participating Association's teams from a Junior Representative Competition at any time if:
 - i. the Participating Association owes a debt to BQ which has fallen due for payment but not been paid in full and is more than 60 days overdue for payment; or
 - ii. the Participating Association breaches the rules in a manner or with a persistency which the Board of BQ considers seriously damages the status or reputation of the competition, BQ or the sport of basketball; or
 - iii. a person or persons under the control of the Participating Association breaches the rules in a manner or with a persistency which the Board of BQ considers seriously damages the status or reputation of the competition, BQ or the sport of basketball; or
 - iv. a team fielded in the competition by the Participating Association forfeits a Game; or
 - v. an Association Official of the Participating Association has, or has been, acting as an Association Official in breach of a suspension or order of a Basketball Authority or a judicial body; or
 - vi. the Board decides that the Participating Association has persistently or repeatedly breached these rules in a manner that, or with the effect that, the reputation or status of the competition is or may be significantly undermined or the ability of those running the competition to do so efficiently and effectively is or may be significantly undermined; or

- vii. the Board decides that the stadium at which the Participating Association's Home Games are to be held is unsafe or is not in compliance with minimum requirements set out in the Official Basketball Rules; or
 - viii. the Board decides that the stadium at which the Participating Association's Home Games are to be held is not in compliance with any representations made to BQ about the features and facilities of the stadium when applying to participate in the competition; or

- b) If a participating Association's teams are disqualified from a competition under this rule:
- i. It can no longer field a team in the relevant competition; and
 - ii. its financial obligations under these rules and under any Agreement continue despite the disqualification.

2. Official Rules

2.1. Breach of these rules

- a) An Association who does not comply to a section of these Official Rules can be fined an amount up to \$350 per instance of non-compliance and face further penalty.

2.2. Playing Rules

2.3. Decisions when these rules are silent or unclear

- a) If these rules are silent on a matter arising in relation to any competition Basketball Queensland may decide how the matter is to be dealt with.
- b) If these rules are uncertain, then Basketball Queensland may decide about how the uncertainty is to be resolved.
- c) Those decisions are binding on everyone who is bound by these rules. The binding decision made is final and specific to the unique circumstances that were presented at the time of the decision being made. These decisions do not set a precedent for future decisions.

3. Player Eligibility

3.1. Eligibility Criteria

- a) All Players must be registered with Basketball Queensland; and
- b) To be eligible for an age group, players cannot be turning that age prior to the 31st of December of the year of the next State Championship competition for their specific age group or in the case of Under 21s the year that the competition ends; and
- c) Players who have transferred from another Association must meet all the Transfer Policy requirements in order to be clear to play ahead of the commencement of the season. The association carries the responsibility for ensuring that all players are adhering to the transfer policy; and
- d) Players may play in only one age group in the Representative Season: and
- e) Players may play for only one association in each playing season. If a player plays 1 game (including grading competition) for an association, they will not be eligible to play for another association within the same regional competition in that Representative season; unless the Association they were playing for removes their team from the competition; and
- f) Players may only play in one team for grading carnivals: and
- g) Players cannot play for more than one team in the same division: and
- h) A maximum of 12 players can be included on each team list for the entire season; and

- i) A minimum of 9 players must be included on all team lists. If an Association's first team has less than 9 players and they also have a second team in the same age group, the Association must write to BQ providing reasons as to why there are fewer than 9 players in this team. BQ will review submissions made on a case by case basis and determine whether the team list will be approved; and
- j) All Team Lists supplied prior to grading must remain the same for the first carnival weekend of the competition; unless a team is registering a brand-new player (i.e., did not contest grading with any other team); and
- k) Players that play six games in a higher division will be classified as restricted and will not be able to move teams to a team in a lower division in the same season (i.e., if you play 6 games in a Premier League team you will be regarded as restricted and cannot then change teams and play in a Southern Cup or Challenge Cup team); and
- l) Players may only move up once in a season (i.e., a player that has moved from a Southern Cup team to a Premier League team may only do this once. This player may go back down to the lower team, provided they are not classified as restricted).

3.2. Ineligible Players:

- a) An ineligible player is one who does not meet the eligibility requirements above.
- b) Penalties for playing an ineligible player:
 - i. The team will be forfeited for each ineligible player offence (i.e., if two players have been deemed ineligible this is two separate offences; however, if an ineligible player plays in multiple games, due to the breach of the rule not being discovered, this will be deemed a single offence)
 - ii. The Association will be fined \$350 per ineligible player offence.

4. Team Nomination Process

4.1. Team Nomination Process

- a) Each team is allowed a maximum of 12 players on their team which will be listed in the scoring system. A team must have a minimum of 5 players to start the game.
- b) If the team does not have 5 players ready to play within 10 minutes of the designated starting time for the game, the game will be considered a forfeit.
- c) Basketball Queensland may in extenuating circumstances choose to extend the time allowed for a team to have 5 players.

6.3. Bench Allocation

- a) For all games, the first team named (home team) shall have the team bench and its team's own basket on the left side of the scorer's table, facing the playing court.  - b. When the Official calls the technical foul, he/she is also to look at the clock and quote the time remaining, so the scoretable officials can note it on the match report sheet. E.g., 7.41 1st quarter, and the player can then re-enter the game at 2.41 or after (via substitution through the bench).
 - c. Players are banned from dunking or hanging from the rings in warm up. Referees will immediately issue one warning to any player who dunks or hangs off rings and the supports during warmups. A second warning will result in an immediate technical foul.
- b) Team Officials
 - a. In the U12 & U14 Age Groups if a Referee Coach/Supervisor watching a game deems that a Team Officials behaviour warrants a technical foul but has not been issued by the referee they can stop the game and issue the Technical Foul.
 - b. In situations where both the Coach and Assistant Coach/es have been ejected from a game after the result of technical fouls being issued the following is to occur:
 - i. U16 & U18 Teams – As per item 7.8 in the FIBA Rules the captain shall act as coach. If the captain must leave the playing court, he may continue to act as coach. If he must leave following a disqualifying foul, or if he is unable to act as coach because of injury, his substitute as captain may replace him as coach.

- ii. U12 & U14 Teams – The Team Manager will be permitted to act as coach. In this instance the Manager's name should be noted on the bottom of the match report sheet as the replacement coach and at what stage in the game this occurs.
- c) Automatic Suspension for Disqualification:

 - c. The one-game suspension cannot be appealed under any circumstance.
 - d. Basketball Queensland reserves the right to overturn the automatic suspension based on their investigation into the incident.

 - d. Wildcard Challenge Fee
 - e. Forfeit Fees
 - i. Forfeit fees will be an amount equal to 1.5 times the Nomination Fee for the competition.
 - f. State Championship Nomination Fee

8. Team Withdrawal

8.1. Fees for Withdrawal

- a) Once an association submits their team nomination into any competition and it is formally approved by BQ, that nomination is confirmed, and no changes will be accepted including changing divisions of a team or adding further teams. The following fees will apply on top of any nomination fees already paid if an association withdraws a team after their nomination has been accepted:
 - i. If the competition has not started but the draw has been set, then an amount equal to 100% of the nomination fee will be charged.
 - ii. If the competition has started then an amount equal to 200% of the relevant nomination fee will be charged.
- b) If a team withdraws from a Grading Competition, then that team will not be eligible to compete in any further competitions.
- c) If a team withdraws from a SQJBC/CQJBC/NQJBC competition, they will be ineligible to compete at State Championships.

9. Scorable

9.1. Scorable Requirements

- a) Each team must supply 2 competent scorable officials for each game.
- b) The 24 Second Shot Clock is compulsory for all age groups (except U12).

- c) The visible game clock is the official method used to record the game and all stoppages.
- d) If a team cannot provide a scoretable official the Manager/Coach of the team will be required to fulfil this position. If they are unwilling or unable to fulfil this the game will be classified as a forfeit.

10. Classification of Teams

10.1. Final Standings

- a) The final standings after all round games will be determined primarily on the win percentage of each team.
- b) Tie Breakers: Two Way Tie
 - i. If there are two teams that finish equal at the end of the regular season playing schedule, then only the result(s) of the game(s) between the two teams involved will be used to determine the final placing in the regular season standings. This is determined first by win-loss then by points scored by each team in the respective game(s).
 - ii. In the event that the total points scored and conceded are the same in the games between the two teams, the classification will be determined by POINTS PERCENTAGE (i.e., Points For ÷ Points Against × 100) taking into account the results of all the games played in the League by both teams.
- c) Tie between three or more teams
 - i. If more than two teams are equal in the final standings, points percentage will be used considering only the points for and points against from the games between the teams who are tied.
 - ii. If there are still teams tied, the placing will be determined using POINTS PERCENTAGE (i.e., Points For ÷ Points Against × 100) from the results of all their games played in the Division.
 - iii. If at any stage, using the above criteria, a multiple team tie is reduced to a tie involving only two teams, the procedures in Part (1) and (2) will automatically be applied.

11. Games that cannot be completed at a scheduled time

11.1. Games not completed

- a) Games that may not be able to be completed for the following reasons:
 - i. An Act of God.
 - ii. An injury on the court where the person is unable to be moved until an ambulance arrives where there are no other free courts, there are games to follow, and the delay has been in excess of 30 minutes.
- b) If an Act of God occurs in the lead up to the round (i.e., day/night before) or there are major weather concerns on the morning of round games, Basketball Queensland in the first instance will endeavour to move games to an alternate venue. A decision will be made by 10am on the Saturday morning as to whether the game will be moved to another venue that day or be rescheduled.
- c) If either (i) or (ii) occurs during a game the formula to be used to determine the result for a game that cannot be completed is:
 - i. Game called off anytime in the first half: Will be replayed where possible; however, a margin of 20 points or more will mean that the result will stand at the score line when the game is called off.
 - ii. Game called off anytime in the second half: Result will stand at the score line when the game is called off; however, a margin of 10 points or less will mean that the game will be replayed if possible.

- d) Each team is required to carry at least 1 spare playing singlet and shorts in case a uniform is spoilt by blood. The spare uniform is to be of a different number to those already listed in the online scoring system. 14. Player Injury/Blood Rule

14.1. Blood Rule

- a) During the game, any player who is bleeding or has an open wound must be substituted. They may return to the playing court only after the bleeding has stopped and the affected area or open wound has been completely and securely covered.
- b) If the injured player or any player who is bleeding or has an open wound recovers during a timeout taken by either team before the scorer's signal for the substitution, that player may continue to play.
- c) A player must also be substituted if they have blood on their uniform regardless of whether it is their own or another player's. - c) The team that forfeits the game will receive a loss and the score will be recorded as 20-0 in favour of the opposing team.
- d) Games will be considered a forfeit when any of the following occur and will result in the game being awarded to the opponents with a score of 20-0 and the forfeiting team receiving no competition points:

29. Requirement for Number of teams an Association can enter

29.1. Player Registrations

Male Teams per age group	1	2	3	4
Female Teams per age group	1	2	3	4

- iv. Where an Association fails to meet the numbers required for entering a team but believes that it has the quality of active players available to meet the standard necessary to compete for a full season; an exemption request is to be submitted to BQ outlining the reasons why the teams should be permitted to enter. It is at BQ’s sole discretion to determine if this is appropriate.
- v. Any determination made regarding an exemption request is done so by the Basketball Queensland Management group and is final.

29.2. Venue Availability

- a) Each association must provide the minimum venue availability as outlined on the nomination form for each season.

- b) The top 4 teams from SQJBC two years ago who are eligible for the Southern Cup Grading Competition in their new age grouping will gain automatic entry to that division. The automatic qualifiers will not be confirmed until after Premier League Grading is completed as the results of that competition will influence who are the top 4 teams eligible for Southern Cup. The only players that will be permitted to be brought into the team will be a player from a team in a lower division or a player who is playing in the association's domestic competition for a minimum of two (2) months. The application must outline the reasons as to why the playing roster had been reduced to less than 8 players and if due to injuries of other players in the team a doctor's certificate must be provided for all the injured players.
